

# Graduate Outreach Committee Update

SOCS Council, December 4th

Luiza Antonie, Joe Sawada, Jennifer Hughes, Laura Gatto

# Graduate Preview Day

- October 20th, 2018
- Laura Gatto represented the committee
- About a dozen students inquired about our programs
  - process and deadlines
  - AI and Data Science

# Planned Activities

- Information session about the new AI program
- Information session about the new Cybersecurity program

# AI Information Session

- Target audience
  - SOCS students who graduated recently or are about to graduate
  - about 40-50 students

# AI Information Session

- end of January
- lunch time (pizza?)
- description of the program (Yang, Joe?)
- short presentations (2-3 min) from faculty (we need volunteers!)
- posters to showcase current research?
