Updates on MCTI 2020

- As of 30th Sep
  - 177 applications received with CGPA of B+ or higher
  - Accepted 45 applications (12 domestic, 24 international)
  - Acceptance rate ~ 20%
  - International deferred: 17
  - 6 refused the offer and 2 dropped from the program
  - Total of 20 students registered (9 domestic, 11 international)

- All fall courses are delivered online

- We hope to have hybrid courses in Winter

Master of Leadership in Cybersecurity

- Joint program between School of Computer Science and School of Business

- 4 courses from Lang School and 4 from SoCS

- We are in the pre-approval stage and hope to have the first batch of students in Sep 2022

- Following courses will be offered by the School of Computer Science cross listed:
  - CIS*6510 Cybersecurity and Defence in Depth
  - CIS*6550 Privacy, Compliance, and Human Aspects of Cybersecurity
  - CIS*65XY Professional Seminar in Cybersecurity
  - CIS*65XY Information Security Management and Governance (a new course 50-50)

Master of Leadership in Cybersecurity

Academic Year	Total Enrolment	Year of Program Maturity
2021-2022	25	
2022-2023	35	
2023-2024	40	Yes

- SoCS may need to offer one new graduate course
- Asking for:
  - one dedicated postgraduate administrator,
  - one industry liaison officer and 0.5 IT support,
  - and 1 course relief for the director of the program
- SoCS and LANG plan to evenly split the revenue they receive from central.

Thanks!
